**Mardi Gras on the riverside.
 The perfect party pavilion.**

When you see Mardi Gras World, you realize just how magical an event like yours can be. The setting is everything. But even a venue as surprising as Mardi Gras World can have its unexpected pleasures. For example, we've created a perfect outdoor venue on a private wharf tucked between Mardi Gras World and the Mississippi River. We call it Mardi Gras Plaza. You'll call it the ultimate party pavilion.

Occupying a lushly landscaped wooden dock, The Plaza welcomes your guests to the very flank of the old, majestic Mississippi. It offers dramatic views of the soaring twin bridges (which are lit at night) and puts your guests within

hailing distance of the river traffic that carries the commerce of the world to and from the Crescent City. The breezes and sounds of the river will be the music of your celebration.

When you host a private event at Mardi Gras Plaza—a reception, a VIP patrons' party or a riverside wedding—the setting is more than a backdrop. It's the focal point of the magic that makes your gathering memorable. In addition to the pavilion itself, your guests will enjoy immediate access to Mardi Gras World, the History of Mardi Gras Exhibit, the Mardi Gras Theater and the Mardi Gras Store. Think of it all as lagniappe. Or the icing on your king cake of an event.
