A place of pride: the grand ballroom New Orleans calls its own.

Give your event a place of pride unequalled anywhere. The River City Ballroom, created by Blaine Kern Studios, is a venue true to the heart of New Orleans. Elegant. Welcoming. Festive. And accommodating. In fact, with two expansive floors facing a central stage, The River City offers exceptional flexibility to tailor smartly configured floor plans to accommodate all your events, from the most intimate to the most imposing.

One of the largest ballrooms in New Orleans, The River City has over thirty three thousand square feet of event space. Both the main ballroom floor (featuring a forty by thirty foot stage) and the handsome second-floor mezzanine command sweeping views of the river. You can augment your event space with The River City Plaza, which opens out from the Ballroom onto a broad private wharf. Or you can give your event a historic setting in The Grand Oaks Mansion. Starting with The River City, the possibilities are limitless.

The River City Ballroom is serviced by three eighteen-wheeler truck bays for convenient load-in and breakdown of your event. Its facilities include a large, full-service food preparation area with immediate access to the Ballroom. With so many built-in advantages, including state-of-the-magic LED lighting and a high definition surround sound system, The River City Ballroom is New Orleans' premier setting, whether you're hosting a formal black tie evening or a rock and roll throwdown.
